## A MESSAGE FROM HONEST ABE

The pandemic in 2020 forever changed how The Great Smoke Community would come together annually to celebrate the passion we all share. Faced with possible cancellation in 2021, our team was determined that the show must go on! Our dreams and desire lead to the historical and ground breaking broadcast of The Great Smoke 2021, The Digital Experience. Aficionados from all over the world gathered in their own comforts to watch a Seven and half hour broadcast of pure cigar love and adoration. Our dreams did not stop there. In 2022 we once again made history by simultaneously hosting one of the country's largest cigar festivals and broadcasting it live to aficionados all over the world. Showtek productions (Golden Globes, Soul Train, Kings of Comedy) along with your Virtual Great Smoke Hosts, Micheal Herklots of FerioTego Cigars, industry personality Kim Keeney, and KMA Talk Radio's Paul DeGrocco, helped bring the live action of all the festivities to the comfort of your very own cigar cave! Walk through the event hall, meet vendors, manufacturers, cigar personalities, spotlight interviews from the main stage, live entertainment and much more! If you cannot make it down in person, we will bring our epic event to you! Now, if you are fortunate enough to be attending live, we have four fun filled days packed with fun times to be had and memories waiting to be made. Just when you thought we couldn't possibly pack any more fun in four days, don't miss The Great Smoke's first ever tailgate party! That's right, we threw yet another event in the mix! This year's tailgate party will be hosted in the parking lot right before the main event Saturday morning and starts at 10am. Hosted by the Distinguished Ruffians Cigar Club and with special guest, Erik Espinosa of Espinosa Cigars, we are confident that this first time tailgate party will become a tradition for many years to come!

2023 brings upon us the year of Mardi Gras Madness! We hope to fill your day with sounds of brass band music, the aroma and flavor of creole creations, and colorful décor that will transcend you to Bourbon Street. Look for the TGS Krewe and make sure to don yourself with an assortment of colorful beads as you become enveloped in the look and feel of Mardi Gras. Are you a Smoke Inn Socialite? If so, make sure to stop by the Smoke Inn Swag Booth and get your Socialite Patch! What a great way to instantly recognize our brother and sister socialites. If you are not a member of this amazing group, come join the FUN! You can find us on Facebook as Smoke Inn Social.

Once again I want to express our deepest gratitude to all the companies and manufacturers involved that help make this epic event happen. Without their support, there would be no Great Smoke. Furthermore, we are deeply touched and grateful by the continued support and love from our friends and patrons from all over the world. This event is for YOU! The time, effort and expense that our fans go through annually to be part of this very special event make all the countless hours and pain endured organizing such an endeavor all worth it. Our commitment to continually improve and make each year "The Best One Ever," will never cease. In fact, we are already in the trenches working on The Great Smoke 2024, which reminds me, it is time to feed the dragon. <wink>

Keep It Lit!

#### B52 TASTING NOTE

Nearly flawless in appearance, this robusto delivers a smoke with a dessert-like quality, layering the palate with notes of cocoa powder and coffee balanced by secondary intonations of nutmeg, leather and wood, all before a marzipan finish. The draw and combustion are both even.

**92**  
points

#### B50 TASTING NOTE

A dark, box-pressed robusto with a lush draw and exceptionally even burn. First puffs reveal a toasty and dry smoke that eventually shows touches of cinnamon-roasted nuts and earth atop a hearty, woody core. The finish is spicy.

**93**  
points

#### B55 TASTING NOTE

Dark and oily, this squarely-pressed toro is spicy and bold from the start, with a black pepper, licorice and leather quality complemented by pleasant notes of nuts and sweet herbs culminating in a finish that smacks of toffee. Both the draw and burn are even throughout.

**90**  
points

#### B54 TASTING NOTE

Long and flatly pressed, this matte-brown cigar is characterized by bold impressions of leather, coffee bean, almond and peanut. The finish hints of oak. It draws well with a slow, even burn.

# Healthier Gums and Teeth — No Downtime

It's not unusual to be diagnosed with gum disease. In fact, about **80% of us** have gum disease and it's the most common reason for tooth loss.

Until recently, treatments for gum disease could be painful, unattractive, and demand significant recovery time. With modern advances in periodontal (gum) care **your oral health can be restored in very little time, with minimal discomfort, and attractive results.**

Dr. Lee R. Cohen

## NO SCALPELS, NO SUTURES

Karen, actual patient

**Two new treatment offerings replace the need for common gum surgeries.**

The Pinhole Technique replaces gum grafts and heals gum recession. With Pinhole Technique, a pinhole size incision is made near the roots of your tooth. Tissue is moved into place and you heal quickly.

LANAP laser therapy replaces gum pocket reduction surgery. LANAP uses a two-step process to remove disease and heal gum tissue. **You'll be back in action the next day.**

## REPLACE MISSING TEETH

Dr. Gil Wiseman,  
actual patient

**After age 45, most of us are missing one or more teeth.** To maintain oral health, it's important to replace missing teeth with dental implants. But not all implants are created equal.
